

What does it feel like to be an empowered technician?

How should TALENT communicate with the technical community across the UK?

- Email
- Newsletter
- newsletters (via email)
- twitter linking to websites etc.
- At technical events and through the technical commitment groups
- Groups like TMU
- Twitter
- Online Seminars
- Direct to technical staff, and to the Universities/Institutions directly (via Heads of Technical Services and/or chancellors)
